**Public Letter of Reprimand**

On April 12, 2017, the Rhode Island and Providence Plantations Department of Health Board of Medical Licensure & Discipline entered into a Consent Order whereby you were reprimanded with conditions for failing to detect a bowel perforation noted on a CT scan of a patient, who had a laparoscopic cholecystectomy.

These actions constitute a violation of California Business and Professions Code sections 141(a), 2234 and 2305.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
